

*Based in our barn* in the countryside  
and surrounded by fields, we make all our drinks  
ourselves using only the highest quality ingredients.

*Ingredients:* 100% Arabica coffee from  
Brazil, Costa Rica and Sumatra.

*We care about packaging.*

This box is made from sustainably sourced  
cardboard and is fully recyclable. The bag  
inside is also recyclable, so please recycle  
both according to your local rules.

For more about our focus on the countryside  
and environment, visit [www.cupsmith.com](http://www.cupsmith.com)

Once opened, store in a cool, dry place.

Pop a clip on the bag to keep your coffee fresh!

For best before, see base.
